

BRITISH MASTERS ROAD RELAYS SUTTON PARK, BIRMINGHAM MAY 17<sup>th</sup>

<http://www.bvaf.org.uk/fix/bmaf2014relay-details.pdf>

You will, no doubt, have noticed that the above Championships have been included in the Club's Race League Calendar. This has been made possible by the BMAF changing its regulations to allow clubs to enter as many teams as they want, and not have a limit of 1 team per age group. This means that all our members who wish can take part irrespective of whether they would be included in the 'A' team. By including these races in the Club's race calendar, we are hoping to encourage as many as possible to take part. Those who have competed in previous Road relays have found them to be very enjoyable events.

If numbers warrant it, the club will arrange transport at a very reasonable cost, and the entry fee will be refunded to those who take part on the day. Although entries do not close until 19th April, would those of you who are interested let myself or Pete Hutch know as soon as possible, especially if you wish to use the Club's transport. Gary, Pete, Steve, Susan and Ann volunteered at the recent committee meeting to 'drum' up support for the various age groups, so, no doubt, one of them will be bending your ear in the near future. We shall need your entry fees also, certainly before April 19th. Supporters, ie family, friends, social members will, of course, be welcome.

We have sometimes stopped for a meal on the return journey. If this something that would interest you, again could you let me know, to assess whether there would be sufficient interest to make arrangements.

Let's make this a big Wolds Vets day out.

Yours in running, Bill Ward
